

Circuit Vision Statement

Our Vision Statement.

“Our vision is to be a Circuit of welcoming churches who look to reach and serve our communities, foster values of inclusion and acceptance, nurture and equip our preachers, leaders of worship and lay leaders, and who work in partnership with others to make God’s love tangible and accessible to all”.

What we will commit to:

To worship, pray together and celebrate our good news stories;
to review our local ministry and mission annually;
to identify key strengths and challenges;
and to form plans not just for future sustainability but also to include strategies for growth.

(This accords with the Methodist Church’s evangelism and growth strategy and similar strategies of our partner denominations)
